

Alexandr Turbin

Summary:

Engaged in amateur-level development for personal and freelance needs. Easy to learn. Sometimes, know how to solve a problem, but you don't know the tools, that's why I'm constantly learning. 37 years old.

Skills:

Web tech.:

HTML5

CSS3

Scripting languages:

Python

JS

IDE:

VS Code

SublimeText

Others:

Spark Ar Studio

Version Control:

GIT

Adobe Photoshop

Adobe Illustrator

Adobe Premier Pro

Adobe After Effects

Adobe XD

Experience:

Previously I developed sites on Joomla, now I'm a freelancer, creating masks and games for Instagram (Spark ar Studio). To automate personal work I use Python (Jupyter notebook).

Education:

Plekhanov Russian University of Economics Minsk branch (Applied Computer Science in Management) 2004-2009
The Rolling Scopes School JS/FE 2020 Q3 JAVASCRIPT [CERTIFICATE](#)
